

## EYP K2 T, K, I and S Friday Note

August 11th, 2016

Dear K2 Parents.

### Language Art English

Next week we will be learning the Jolly Phonics letter sounds 's' and 'a.' Students will work to identify the sounds at the beginning of words. We will complete activities in class related to first letter sounds.

### Language Art Chinese

We will be reviewing the Chinese characters from K1 for the first month.

### Math

In math we are reviewing the numbers 1-10 and one to one correspondence. Students will also start exploring and learning about measurement using non-standard unit. We will continue to work on counting and data collection.

### UOI

Students are starting their first K2 year long UOI "Change"- **How The World Works**. The **central idea** for this unit is "**People and things change**". Students will be inquiring into how people and things change.
