

Dear K2 Parents.

Language Art English

Students will be practicing with the "v-van, the oo-book and the oo-moon" sounds. Students will work to find words that start with different sounds. Students will begin to identify the sounds in the middle of words. Students will practice blending the sounds they have learned.

Language Art Chinese

Students have learned:

米, 头, 足, 皮

And review the learned Chinese characters

Math

Students will practice graphing and sorting. Students will sort bugs with similar properties.

Students will practice numbers and counting with bug body parts.

Students will learn about symmetry and patterns in nature.

UOI - Bugs

Central Idea: People share the planet with insects and bugs. Students will explore change in bugs. Students will learn about life cycles and metamorphic change.

Home Activities:

Chinese

Parents can review Chinese characters with your child using the Talking Pen Set (Bear Set) or the previous characters sheets we sent home.
