

Dear K2 Parents.

### Language Art English

Students will be practicing with the "sh-shoe," "th-three" sounds. Students will continue to search for and identify the sounds at the beginning, middle and end of words. Students will also work to combine the sounds to read and write words.

### Language Art Chinese

Students have learned:

bà mā gē jiě dì mèi yé nǚ  
爸, 妈, 哥, 姐&弟, 妹, 爷, 奶

### Math

Students will review numbers and shapes with bug themed number and shape activities.

### UOI - Connecting to Characters

*Central Idea: We can make connections between the characters in stories and our own lives*

Students will listen to different stories and learn about different characters. Then make connection of themselves to the character. What do they like and dislike about the characters? What will I do if I am the character in the story?

### Home Activities:

#### Chinese

Parents can review Chinese characters with your child using the Talking Pen Set (Bear Set) or the previous characters sheets we sent home.

#### English

We always encourage you to read with your child whenever possible. ☺Please practice at <http://readingeggs.com.au/>

#### Math

Play "Lady Bug Spots" at:

<http://www.topmarks.co.uk/learning-to-count/ladybird-spots>

#### UOI

Learn about awesome bugs in Thailand at:

<http://www.thaibugs.com/>

#### Show & Tell

We are now on "Connecting to Characters" unit. Any contributions of stories and characters would be greatly appreciated for show and tell in the class.

### IMPORTANT NOTE

- Friday, 24th March- Half day school (school finishes at 11:15 am)
  - Student Led Conferences-March 24th and 25th
- \*\*Walkathon Tuesday, 4th of April 2017\*\***
